IF YOU LOVE HAIRY CHICKS, TURN TO PAGE 35 NOW!

Dear *Voluptuous*,

I'm tired of writing to magazines and not getting printed, but I'll keep trying.

I'm writing to cast my vote for more hirsute photo shoots. And I'm not talking just a little hair. I'm talking about a real hairy muff, asshole, under arms, etc. See what you can do.—C.J., Illinois

Dear C.J.: We try to provide a good variety of lusciousness in Voluptuous, but sometimes it just doesn't happen. That's not the case this month. Turn to page 35 and prepare to be awed by, arguably, the most hirsute woman we've seen this decade.

WHERE'S MERILYN?

Dear *Voluptuous*,

Three cheers for the annual holiday issue. Nothing spills the spunk faster

And the winner is...J.J.K. from Alberta, Canada, who will not only be receiving Kelly's autographed bra, but the very panties you see pressed against her juicy snatch in that picture to the far right. This lucky Canadian mailed in his reader survey from the Oct. '05 issue, and out of close to 2,400 V-persons (yes, chicks entered, too), J.J.K. became the man. Thanks to all of you for helping us improve *Voluptuous* and congratulations to J.J.K., the luckiest man we know.

than page after page of sexy newcomers, and this year's issue did not disappoint.

First a request, could you guys make up your minds and stop changing the contest? I'm glad you're sticking with the "vote for one only," but the number of entrants has been different every year. This year you have 15 finalists for Model of the Year, but it was 10 last year and 12 the year before. I think 10 or 12 would be perfect. You guys must be swapping finalist spots for sloppy blow jobs, and if so, can I get the editor's job when he retires?

Your Top Three Newcomers For 2005

We're still counting votes, but in a shocker, Nov. '05's Marilyn is running fourth!

Who's missing from these pictures? That's right, Marilyn Sakova. Early voting returns for the 2005 Newcomer of the Year Contest find the Russian super-titter in fourth place behind (shown here from left to right), Bea Flora, Romina and Samantha Kay. Official results will be in the May '06 *Voluptuous*.

Still, with 15 spots, how could you leave out Susie Wilden? Her nut-draining March '05 pictorial easily puts her in my top 10 for 2005. Ivy, Marketa, Gemma and Sunshine are my other 2005 favorites who got snubbed.

Last year Nicole Peters, Nadine Jensen and Kerry Marie totaled more than 75% of the votes, with the other eight contestants left far behind. This year looks to be another multi-girl heat with Bozena, Kelly Kay and Nicole Peters. May the best tits win!

As always, the Newcomer line-up is spectacular. But we already know who is going to win this one. Marilyn has the most wickedly stacked body of all-time. The question is not whether she will win, but by how much.

Kelli Rose, Samantha Kay and Miranda are all basically plumpers, so

why not give them a fighting chance by putting them in the plumper contest? Kelli Rose drains my nuts like no other newcomer of 2005, including Marilyn, but unfortunately she doesn't even come close to competing with Marilyn.

And speaking of plumpers, let's get the fatties out of *Voluptuous*. Face it guys, most super-plumpers are just plain fat. Evzenie, Devin Taylor, Deja, Taylor Stevens, and Samantha belong exclusively in XL.

One thing I'd like to see is more attention to overall boob quality. Boob quality is much more than size. Enormous, round hooters with flat nipples are boring. To a large extent, the nipples are what make the tits sexy, so please seek out more variety—big ones, dark ones, puffy ones.—B.D., New Jersey

Continued from page 6

Dear B.D.: Thanks for your letter. Regarding consistency, we just couldn't help ourselves. Yes, Marketa, Susie, Gemma and a dozen other V-girls deserved recognition, which is why we went with 15 this year instead of 12. Can you imagine who would have gotten bumped at 10? As for the Newcomer of the Year, not so fast, bubba. As we send this issue to press, the tabulated votes don't even have Marilyn in the top three. Go figure. Perhaps that "skinny" factor is kicking in. We'll see how things stack up in the May '06 issue.

PISSED OFF!

Dear Voluptuous,

I've been a subscriber for five years now. I have over 40 of your DVDs. I consider *Voluptuous* to be a world of its own. But, I'm writing to tell you that sometimes your videos piss me off.

I hate when for up to five minutes the camera will just focus on the model rubbing oil on her tits. It's boring. Or she will be laying on the bed in the same position. Fuck that. I wanna see her trying on different lingerie or showering with the camera far enough away so we can see her entire body. Ya know, more angles and positions so we aren't constantly looking at the same shot.

Take On Location Key Largo, for example. I can't remember how many times I jerked the gherkin watching that one. It offered so much variety. All I'm asking is that you put as much effort into future videos as you put into that one.

Please print this so we'll all know if other *Voluptuous* fans feel the same as I do.—M.C., e-mail address withheld

CREAM ALL OVER THIS NEW DVD!

Video Review By CURLY REDWOOD

Lock-n-load, boys! We have a brand, spankin' new DVD in the house, and if you get a load of that title, you'll know what this baby is all about. *Cream My Tits!* Did somebody in our marketing department get creative all of a sudden? Nah! This one is a no-brainer.

As human beings, there are a few things that give us pleasure in life. Food and sex are two of the primary ones. *Cream My Tits* manages to combine those two perfectly, and it does so with

some things you might have already used in the bedroom. If not, watch and learn and then go have some fun.

Miranda, Monique LaAmour, Anastasia, Samantha Sanders and Sunshine won't just have you feeling good below the belt. Don't be surprised if this video leaves you craving some dessert. Take care of one pleasure and then handle the other.

This just might be the most complete DVD you will ever own. Not only does it have scorching scenes that will make you both horny and hungry, but it has more extras than a loaded Benz. More on those later. Let's get to the girls.

MIRANDA

Miranda has just finished her grocery shopping. She's pushing a shopping cart toward her pickup truck and tells us that she has a surprise for us as she gets in on the passenger's side with a can of whipped cream in her hands. "We're going to have some fun," she says, with a delicious Italian accent.

Cream my **TITS**

**Monique
L'Amour**

As the vehicle travels down the highway, Miranda whips her top off and yanks her big titties out of her pink bra. She takes the can of whipped cream and sprays a generous helping on each of her nipples, slowly licking it off.

After repeating this a few times and tantalizing us with her tongue on her nipples, Miranda asks if we want to pull over and have some dessert. Her man comes over to the passenger's side, and she sprays some whipped cream on her tits for him to lick off. From there, they go to the back of the truck and start doing it out in the open.

After getting him hard—and Miranda could get us hard just by speaking in that sexy accent of hers—she sprays a line of whipped cream from the tip to the base of his cock and goes to work, sucking him off and enjoying the tasty treat. It's like cock a la mode.

She takes his cock out of her mouth only long enough to wrap her big boobs around it. Miranda is enthusiastic about tit-fucking. She loves having a big, hard cock sliding between her hooters, and she laps up the head every time it pops through.

The two do a quick cleanup with some ice cubes to wash the sticky stuff off, and Miranda climbs on top of her stud's hard cock to give him a workout. She rides him hard, bouncing up and down on his drive-shaft with everything she can muster.

Miranda then leans over the side of the truck and takes his big fuck-stick deep in her wet twat. The horny couple fuck hard, and Miranda shows she's a screamer. Luckily, the truck is parked on a deserted road and no one is

Voluptuous Video Review

around to hear them. After some quick oral, she turns around again for some more back-road pounding.

They then get down and dirty on a blanket in the truck bed. Miranda's moaning and screaming for her man to fuck her harder, and he's trying to cram every inch of his big dick into her. She's licking her nipples as she's getting plowed in the spooning position.

Finally, the scene shifts to an over-head shot of us looking down at Miranda's cleavage. She's begging her stud to shoot his hot load on her, and he obliges, spraying a different sort of sticky stuff all over her massive mams.

MONIQUE L'AMOUR

You can't help but wish Monique worked in your local ice cream parlor. Being the kind and generous woman she is, Monique offers to whip us up a little snack. Bending over into the refrigerator, she grabs the ingredients she needs—and offers us a view of her juicy ass in the short dress she's wearing—and then announces she's going to make us a "titty sundae."

How did she know our favorite? Even old Tom Carvel would get a boner from that one.

Monique peels out of her form-fitting dress to show us two of the nicest scoops we've seen in a while. This is a

woman who knows her way around the kitchen.

She grabs a knife—which is usually a bad thing for your woman to do, but this time it's a very good thing—and spreads frosting over each of her very large nipples. After that, she sprays a liberal dose of whipped cream on each and then tops them off with sprinkles. Then, of course, what sundae would be

complete without a cherry on top?

Just as Monique is begging for someone to feast on her bountiful sundae, some guy comes in and buries his face in her tasty treats. This is where things get delightfully messy. Whipped cream and sprinkles are everywhere, dripping all over Monique's chest and shoulders.

By now, Monique is laying on the kitchen counter, and she turns on her

Anastasia

Samantha Sanders

side so she can suck this guy off. He slaps her boobs with his dick, and she sucks the whipped cream off it. Just before he slides his cock in between her tits, Monique drowns his cock in whipped cream, and it goes flying as he slams his dick between her fun bags.

The two of them wash off the sticky stuff so, as Monique says, they "can fuck properly." In other words, now that they have finished the tit-sundae, they can have dessert.

Monique shows off some impressive cock-sucking skills before lying back on the couch and begging to be slam-fucked. Her man obliges, cramming every inch of his tool into Monique's hot twat as she screams for more and for him to go harder. They go from the couch to the floor, with Monique's legs spread wide and then over his shoulder so he can slam his balls up against her big, round, delicious-looking ass.

You can almost feel Monique's love juices dripping all over the place as she gets pounded and especially as she lowers herself onto his package for a reverse cowgirl ride.

Monique is one, ahem...enthusiastic rider and again is not the least bit self-conscious about being loud.

She gets back onto all fours and demands to be fucked hard while her bodacious ta-tas hang low and scrape against the rug below her. As her man starts to moan, Monique flips over and jacks him until he shoots his man-gravy all over her rack. She rubs his spunk into her tits and then licks it off and tells him how good it tastes.

Almost as good as a titty sundae?

ANASTASIA

Apparently, ice cream makes Anastasia horny. She also likes getting messy. So can we assume her dream date would be Oscar Madison with a quart of Dolly Madison?

Anyway, it's one of those steamy, Florida days, and Anastasia can't take it anymore. She needs to cool off, and the air conditioning in the car she's riding in isn't cutting it. She needs some ice cream immediately. Well, Anastasia must have gotten the Spanish Fly flavor because as soon as she takes a few licks, she needs someone to start licking her.

She rubs the vanilla cone all over her nipple and continues to lick it off before her man joins her and helps lick the melting ice cream off her cold, hard nipple. Anastasia then takes her cone and rubs it on her man's throbbing cockhead. As they sit in the back seat, Anastasia enjoys some cock a la mode, licking up the ice cream and slobbering on his man-meat.

Now, he's as horny as she is, so they head off to a remote location, where Anastasia gets her luscious tits fucked before inhaling her man's stiff rod. She gobbles up his man-meat, but she saves the gravy for later. It's time to fuck.

They head for the back of the Jeep to test out the rear shocks. Anastasia lays in the back and opens her legs as her man's big fuck-stick slides into her quivering pussy. Almost immediately, she's on the verge of orgasm and shrieking for her man to fuck her harder. You have to love Anastasia's enthusiasm. She can't get enough and shrieks each time his big tool impales her.

Anastasia decides to turn the tables and climbs on top so she can smack her man's head with her tits, just like he was slapping her tits while he fucked her. As she rides him, she screams for him to slap her tits and ass some more, which seems to set her off. Anastasia bounces up and down with wild abandon, and we find out that Jeep really does make a sturdy vehicle.

The two then go off to the side of the road where Anastasia bends over a guard rail and just gets hammered. Her melons hang low, and she absolutely shrieks with pleasure as her man repeatedly buries his bone deep in her hot box. Finally, she turns around and jacks her man off all over her cans.

Anastasia looks him in the eye and says, "See? I told you all I wanted was an ice cream."

She got some ice cream and some man cream—the best of both worlds.

DESIRAE MONET

A new plumper with super-huge hooters!

Yes, boys and girls, it's that *All Stacked! All Natural!* time of the month. And to kick off this double-sized issue, we have a big 'un for you. She's new, she's pretty and she has some whopper-sized gazongas. Oh yeah, she's named Desirae, too, though you might as well just call her, "chick-with-whopper-sized-gazongas." That's we've been calling her ever since we saw these pictures.

BARE FACTS
DESIRAE MONET

Age: 23 Birthday: April 6, 1982

Height: 5'6" Weight: 202 lbs.

Bra Size: 38E

Measurements: 44-30-42

Born: Greenfield, Indiana

Lives: Tampa, Florida

Occupation: Graphic designer

How great is this 200 lb. newcomer? Not only does she tell us she's sporting E-cups (though, Desirae, you look a lot bustier), this Indiana-born, Tampa-living graphic designer loves football ("Go Bucs!"), and the thing that gets her off the most is, are you ready for this?...Watching her fiancé have sex with other hot women! Yes, boys, Desirae is not, we repeat, *not* a computer-generated whatever. She's real. And some guy out there is *real* lucky!

See that vibrator? If you want to really please Desirae, put some anal beads in her ass, that vibrator on her clit and your cock inside her snatch, balls-deep, and she'll be shaking and quaking in seconds. No, we're not making this shit up, either. That's what Desirae told us, right after confessing that she's submissive and loves S&M parties where she would gladly be the bitch. Sorry, Desirae, you'd never be *our* bitch. You're sounding a lot more like a goddess.

BIANCA

It's Greek-goddess time with our favorite anal fiend and a big-time *Voluptuous* fan.

We ask you, who's better than Bianca? Oh, sure, some gals have bigger tits, others may even be prettier and somewhere out there is a rounder ass...perhaps. However, when you combine everything you're seeing right here on these two pages up, then toss in the fact that Bianca is a tri-sexual (as in she'll try anything), loves getting ass-fucked like most people love breathing oxygen, and, ever since appearing in the March '05 *Voluptuous*, has gotten off to the V-girls more than most of you guys, well, there's room in the world's number one boys' club for Bianca, isn't there, guys?

For those of you with short memories, Bianca is the Greek gal who found us while she was searching the web for pictures of hot, busty chicks. She isn't a dyke, no sirree. Bianca loves a hot, hard stiffie in every one of her holes except her ear and nose, though she's so adventurous, she may give those two orifices a go one day. Bianca just digs pussy. She likes to look at it, lick it, fuck it with a strapon, stick two fingers in a snatch until some gal's G-Spot is gushing all over her arm... basically all the stuff we like to do. However, a hot snapper isn't enough for Bianca. This gal likes her puss to have some boobs, too. And a round ass. And a pretty face. And, well, Bianca likes chicks who are as hot or hotter than she is. Trust Bianca, they're not hanging around at every Starbucks. She's looked, and that's why she's become one of us. Damn glad to have ya, Bianca.

FOXES

Erotic Fiction By ED LERNER

"That's the difference between you and me," Bianca said. "You love lust, and I lust for love." Ordinarily, she would've laughed at her play on words, but this morning she burst into tears. Sable placed her brown hand over her upstairs neighbor's white one and stared at her sympathetically across the dinette table. The Sunday paper sat unread, the coffee pot stood nearly empty, and the coffee grew cool in their mugs.

"Girl, listen. If that guy dumped you, trust me, it's his fault, not yours. To hell with him."

Bianca sniffed. "Kyle told me he was going to bring me into his father's publishing company, said he'd give me a creative job with one of his magazines. I believed him. So I quit my job on Friday. Saturday, last night, I finally slept with him. And this morning he called to say 'sayonara.'" Her lips tightened. "That son of a bitch!"

"Honey, you've been suckered is all. It happens to the best of us." She looked at Bianca appraisingly. "And, you know,

we are the best of us."

To be sure, with the exception of their hair and skin color, the two could have been mistaken for twins. Their legs were long, their hips full, their waists thin, but with just enough padding for softness. Bianca's hair was ash-blond and cut shoulder-length, with bangs dusting her forehead. Sable's was glossy black, straightened, parted in the middle and fell halfway down her back. Both had deep, brown eyes and rich, full lips. None of these qualities, though, were what men noticed first about them. It was their "outstanding standouts," as Sable liked to quip—their full, natural, slightly pendulous breasts. Many a man would stop dead in his tracks when the girls walked down the street together, especially in the summer when their shorts were cut high and their bodices cut low. Both Sable and Bianca were tall, and posture might one day be a concern, but for now, in life's prime, they carried themselves proudly erect—which made some men erect just looking at them.

Kyle, seeing Bianca walking alone, had been one of them.

And she had fallen for his line, quit her job and hopped into bed with him.

"I don't have a job!" she said suddenly, as if just realizing it. "Sable, I quit, and I can't go back. What do I do now? How do I pay the rent?"

Sable looked at her friend tentatively. Finally she asked, "You like sex?" Bianca frowned. "I mean, you said I love lust, and it's true, but do you think that you could love lust, too? For at least twice what you were making at your old job?"

Bianca looked intrigued. "Sable? Why do I get the feeling you've been hiding something?"

Her friend ignored the question. "As it happens, my, ummm, associate at work has just amicably resigned, and I happen to know her position is open. You interested?"

"Am I interested? Desperate's more like it."

"Honey, if you take this job, trust me, you'll never be desperate for anything. Let me tell you some more..."

Dexter Fox, founder and CEO of Fox Industries, stood as Bianca walked nervously into his richly paneled office Monday morning. His smile helped to put her at ease, as did the fact that he interviewed her not

from behind his desk, but face to face in matching upholstered armchairs.

"I really appreciate your seeing me on short notice," Bianca began.

Fox made a dismissive motion. "It's my pleasure," he said, and his expression told her he meant it. "When Sable called last night, I made sure I cleared my morning calendar to meet you." He paused. "Okay, lets get started. Sable told me she gave you all of the basics. Are you ready to hear the pitch?"

Bianca swallowed, breathing a little less rapidly now. "All right." She unconsciously fumbled with the buttons on her blouse, wondering if he noticed the rise and fall of her breasts.

"I'll get straight to the point. Bianca, I'm 35 years old and virtually chained to the company. I love my work, but some days I know how Dr. Frankenstein felt. I come in early and stay late, except on Wednesdays. More on that in a minute. Like most men, I've got a very healthy sex-drive. Unlike most men, I don't have the time to meet women. I'm frustrated, or at least I was until the board of directors, frankly in the interests of keeping me productive, authorized me to hire two...executive assistants, for lack of a better term. Every Wednesday evening I spend time with one of them in my penthouse, and Saturdays I spend the day with both at my country home. The rest of the week belongs to them. Oh, and they do report to the office now and then, just to show their faces, to avoid rumors of phantom employees on payroll."

"And Sable is one of those...executive assistants."

"Yes, she certainly is. And Sable suggested that you might be interested in being the other. In fact, she highly recommended you."

Bianca said, "But what if—"

"—If we're not compatible?"

She nodded.

"I'll give you the address of my penthouse. Meet me there at seven on Wednesday for dinner, and we'll see what happens. If nothing, we part friends. If something, we enter into a formal, ahhh, business arrangement. And, for obvious reasons, please keep this conversation and everything connected to it confidential. Sable assured me that you would."

He smiled, openly and honestly. Bianca liked that smile. "Write down that address then, Mr. Fox. Should I

VOLUPTUOUS HAIR CLUB FOR MEN

Newcomer Katherine Debuts In Full Bloom And Then Some!

Hairier than your average bear? Trust us, boys, that ain't no boo-boo. The *Voluptuous Hair Club For Men* is back after what seems like a lifetime in exile. Hey, we were out scouring the globe for ladies who have never been to SuperCuts. In this era of land-ing-strips and bald beavers, it was tough sledding. Still, we discovered Katherine... "Kat" for short, though there's nothing short about her. For the record, her boobs are in the E-class, her ass is in the caboose-class and her hair hasn't seen Nair in two months, which is nothing. Kat usually goes about 10 months before breaking out some scissors, which means some lucky bastard will be living in plush paradise for 24 more weeks.

So, Kat, you have a tat and a ring, which are quite trendy, so why the flowering bush, which is decidedly untrendy for your generation? "I just think a woman should look like a woman, not a little baby," this 26-year-old, Arizona native told us. "Plus, it's kinda sexy, don't you think? I mean, if you like the scent of a woman, you're gonna love me. I don't even wear any perfume because *I am my own perfume*. Trust Kitty-Kat, Chanel has got nothing on me!"

For those of you guys who have never been in the bush, jeez, you're practically virgins. The aromas are overpoweringly erotic, and they linger for what you wish was an eternity. The moisture that engulfs your entire face when you go downtown is like being in a rain forest of lust. The texture is like fine silk. And the sex is so intoxicating, you'll never be the same. But, some of you already know what we're talking about. Your reminiscing smiles of total satisfaction are proof positive. As for the rest of you poor, unfortunate souls, good luck in your search for a hirsute woman like Kat. May you one day find the treasure that can only be found in the loins of a hirsute woman.

assume we dress for dinner?"

Fox smiled more broadly, his pen busy on a leaf of note paper. "We do dress...for dinner."

Dinner was exquisite, but not nearly so as Bianca, an opinion Fox offered after their meal had been cleared and the server dismissed. Throughout their conversation, his gaze had remained fastened on her eyes instead of her scoop-necked gown, barely held up by delicate spaghetti straps. His manner, and his manners, inspired confidence, and as they sipped their dessert wine Bianca slipped her free hand across the table and over his.

"Let me show you the city by night," he said as he led her to the balcony. There the lights below seemed to blend into the lights in the sky, giving Bianca a momentary sense of vertigo. She leaned back, against Fox, then closed her eyes and sighed as his lips found the juncture of her neck and shoulders, and his arms encircled her waist. He kissed up to her jawline, to her earlobe, and as she turned her head he pro-

gressed to her mouth. Her lips parted and accepted his gentle tongue.

Fox's hands slid up Bianca's body until they cupped her heaving breasts through her bodice. His fingers stroked her breasts through the silky material, then lifted them, making them bulge above her neckline like twin pillows being released from their pillow cases. He released her lips and leaned his head forward to kiss the very top of her nearer breast, then brought his hands to her shoulders and slowly lowered her spaghetti straps.

Bianca's bra was a soft lace, barely able to support her breasts. Fox slid his fingers between the fabric and the sides of her breasts and eased the cups down, revealing dark areolae and beige, thick nipples, already erect. The pressure against her behind told Bianca that Fox, too, was erect. They stood in the glow of the lights and stars, Fox fondling Bianca's breasts as she slid her hand back to place a palm against the front of his trousers. Boxers, she thought, as she ran her hand along the swelling in his slacks. Then she turned to face him, and she lifted her breasts as he lowered his head and began kissing her mammarys. She smiled as he took his time,

lips and tongue tracking from her deep cleavage across her flesh to her areolae and finally to her nipples. One after the other he sucked, drawing the rubs deeply into his mouth, his teeth grazing her skin, as one of her own hands returned to his crotch, found his package, and squeezed gently.

Fox released her, and Bianca slowly went to her knees, her gown pooling from her waist to the floor. She unfastened his belt, then his fly, and in one motion lowered both trousers and boxers to the floor. She looked up at his erection, gripped his thighs, and raised her head, mouth open, to receive him. Her lips formed a velvety circle around his penis. Her head moved forward and back, taking him all the way inside and then drawing away until just the tip of his foreskin was between them. She licked at the tip, held it on her tongue, and drew it inside her mouth again.

Kneeling up straight, Bianca lifted a breast with one hand as the polished fingers of the other wrapped themselves around Fox's phallus and lowered it to her nipple. With his foreskin she traced around her areolae, rubbed it across her nub, and cuddled it lovingly against her nipple. Then she repeated the procedure on her other breast before kissing up his body, unfastening his shirt and tie as she went, until—standing upright now—she pressed her open mouth to his.

As their tongues entwined, Bianca eased Fox out of his shirt and tie, reached down and cupped his buttocks, pulling his hips against hers. Then, she was on her knees again, freeing him of his shoes, socks, slacks and shorts. She stood again, clad only in her heels, hose, bikini panties, and jewelry. Fox kissed her from neck to breasts, holding them up to his mouth. Bianca, meanwhile, cupped his hard, throbbing shaft and gave it a gentle squeeze. "Care to show me the bedroom?" she asked.

A few moments later, Bianca was sitting on the edge of the king-sized bed, its satin bedspread smooth against her seat and her stockings legs, which she opened wide as Fox took a turn on his knees. He slid the crotch of her moistened panties aside and kissed her labial lips before inserting his tongue between them. Bianca fell back onto the bed and moaned as Fox's hands once again found and fondled her breasts and his tongue teased her clitoris.

When he came up for air, Bianca removed her panties and tossed them onto the floor.

They rolled onto the bed then, on their sides first, heads aligned with each other's crotch. Their mouths went to work, and after they had locked onto the objects of their affection, the pair rolled over so that Bianca was on her back and Fox on top. Her thighs pressed against his head as her fingers held onto his butt cheeks, pulling his penis into her mouth.

Next, they rolled over again, Fox on the bottom and Bianca on top. She lifted her torso just enough to allow Fox's hands to sandwich her hanging breasts and knead them as the couple continued their oral ministrations.

Fox entered Bianca in the missionary position, supporting his weight on one outstretched arm as his other hand stroked Bianca's breasts. When he began pumping with increased urgency, Bianca pulled away and slid down so that his penis was poised over one breast. She pressed it to that glorious, fleshy mound and then captured it inside her cleavage. A few strokes later saw Fox groan as he spurted semen onto her breasts, into her mouth, and

over her glossy lips. Bianca rubbed his spasming member over her face and neck, then across her nipples before returning it to her mouth and holding it there, sighing softly as the final drops drained from him, dribbling onto her tongue and into her throat.

Fox looked down at Bianca, and watched intently as she eased his penis out of her mouth with her tongue and brought it to rest against her teeth. She smiled sweetly, her face covered in gobs and gobs of Fox's spunk.

Still breathing heavily, Fox blurted, "Bianca, may I offer you a position as my new executive assistant?"

"I accept," she said. "And I think I'd like to offer you some positions as well; that is, some we haven't tried yet." She held his penis to her lips and smiled.

"It was amazing," Bianca said the next morning as Sable poured them both coffee. "We made love three times before calling it a night. We might've made it to four, but the poor dear fell asleep."

"So, I take it you're in, then?"

"Am I ever. Just like you. I guess we're partners now." They high-fived each other and then sweetened and creamed their coffees. Bianca was about to say something else when her phone rang. "Scuse me," she said and walked to the wall phone.

Sable heard a few muffled words before Bianca slammed the phone down with a laugh. "Kyle," she said as she returned to the table. "He said he's had a change of heart and now he wants me back."

"And of course you threw away Mr. Fox's offer and accepted his."

"Oh, sure I did. I've got his change of heart." Bianca grabbed her crotch as she'd seen the street kids do when she was growing up. "Right here!" They laughed, loudly and long.

"All right, girl," Sable said as they recovered their composure. "You and I will be driving to Mr. Fox's country home this Saturday. You'll love the place. Big house, everything inside you could want, a pool outside with cabanas and a bar. We're officially on for Saturday, but we can stay the weekend if we want. He appreciates the company. And, he can cook, too."

"The perfect man."

"But first, we have to discuss our strategy for, um, entertaining him."

"Strategy? I don't understand."

Bianca held her coffee mug in both hands and tipped it to her lips.

"Mr. Fox is a creative kind of guy. And he likes us to be creative, too."

"What, you mean like playing French maids and stuff like that?"

Sable smiled. "Honey, been there, done that. But, I do have an idea that will get all of our cookies off. In fact, about those cookies..."

It was precisely eleven o'clock on Saturday morning when the door chime of the Fox mansion rang. Dexter Fox, dressed in shorts, a polo shirt, and sandals, smiled and put down the newspaper. "Coming," he called, laughing at the touch of irony, "Now I wonder who that could be."

He opened the door to see two girls, one Caucasian and one African-American, standing before him with shy smiles on their faces. The black girl had her long hair tied back in a ponytail, whereas the white one had her shorter hair held back behind her ears with pink, plastic barrettes. Their make-up had been so subtly applied that it looked as though they were not wearing make-up at all. Yet, there was no denying their glossed lips, their shadowed eyes and their tinted cheeks.

They both wore identical uniforms: penny loafers; white, calf-length socks;

SAMANTHA

Gillian? Sam? She's a "knockout" by any name!

How many of you guys remember this down-home, Yorkshire secretary from the Jan. '99 *Voluptuous*? Not surprisingly, a whole bunch of you do, and with tits like these, it's no wonder. Her name six years ago was Gillian. Now, it's Samantha Sanders. You know what? We could care less, because her boobs are just as awesome as we remember.

We actually brought Samantha back in the Nov. '05 *Voluptuous* man-handling some trouser-snake. That was in *Voluptuous Xtra*, and for those of you who, again, remember this lady from years ago, seeing her suck cock must have been a major shock. We (and most of you) remember Sam as reserved and insecure about her body, and it would sometimes show in her posing. That happens with regular-type gals, which Sam certainly was when we found her in 1999 at a London disco. She had yet to realize she had a body to die for, but would Sam ever rock our world, and now she is doing it again. When she came to Miami for the *Voluptuous* working-vacation, we were absolutely stunned at how great she looked. We were going to type, “*still* looked,” but forget that. Samantha looks way better now than she did six years ago.

Boy, it just doesn't get any better than this. And models don't get any better than Samantha Sanders. Having not been in front of the camera for several years, Sam actually studied four years' worth of *Voluptuous* magazines before coming to Miami and practiced posing in her apartment before getting on the transatlantic flight to come here and show off. "I wanted to be better than I was before," Sam told us. "I wanted to feel more confident about myself and to really do a good job, not just for me, but for all of the readers, too. That's one thing I really never got when I first started posing. Back then, it was all about about making me feel good—like a desirable woman. Now, I realize that I'm not too shabby and that posing isn't about me at all. It's about the men reading the magazine. I want to make them feel good." Mission accomplished, Sam.

PAOLA

**All hail
Paraguay!**

The world's newest big-tit pipeline!

Somebody check the water supply in Paraguay and bottle it fast, 'cause there's something going on in that South American country that we could sure use a whole lot more of here in North America! Romina Lopez, Cynthia Romero, Bruna and now here comes Paola, who is actually Brazilian, but she lives in Paraguay, and that's good enough for us. So far in the past 14 months we've had four titters from Paraguay, a country that, prior to 2005, had produced exactly zero models. Yep, something's definitely going on there. We don't know what it is, but we're lovin' it!

A secretary in Paraguay, Paola was discovered prancing around on a beach in a dental-floss bikini by the same lucky V-man who found and photographed Romina, Cynthia and Bruna. Apparently, our man was in Brazil to scout girls, Paola was vacationing in Rio, and in a serendipitous moment of him ogling her ass while she shook it to some samba music, they got to talking. Once they both found out they lived in the same town, that was all it took. A week later, the dental floss came off, the ogling turned to photography, and we had our newest V-girl.

and short, forest-green skirts. But, it was their blouses that struck a chord in Mr. Fox's crotch. They were sleeveless, with Peter Pan collars, and open straight down to their skirts. Neither girl wore a bra, and their cleavage—deep, delicious, and bordered by the loose, white, cotton-formed back-to-back capital-letter J's.

The black girl spoke. "Mr. Fox, my name is Sable, and this is my friend, Bianca. We're selling cookies door-to-door. Can we interest you in some?"

"Well, girls, why don't you come

inside, and we can discuss it."

"Be happy to, sir," Sable said, as Fox ushered the pair inside and closed the door behind them.

He paused. "Oh, would you wait here a moment, please?" He walked across the foyer and into the living room where he stood before a large sofa. "Would you like some soda, girls? Maybe some candy?"

Getting into the spirit, Bianca said, "A nice, cream-filled peppermint stick would be nice, thank you."

"I might be able to help you there," Fox replied, and both girls noticed the bulge already forming in his shorts. "This way, girls, if you please."

They walked toward him, their

breasts bobbing inside their blouses. This was why Fox had had them wait in the foyer. He wanted to watch their breasts as they moved. Each girl actually carried a little bag, with small packages inside. All three sat on the sofa, with Fox in the middle. The girls placed their bags on the floor and looked demurely at him.

"You know, girls, when I was younger I was an Explorer."

"Really?" asked Bianca. "And what did you explore?"

He looked at her cleavage, at the way her blouse blossomed forward but just managed to hide her nipple. "I liked exploring large hills and deep valleys." The ladies giggled. "But, I guess I should shut up and let you girls give me your sales pitch."

Sable began. "This year, sir, we're featuring chocolate-covered bon-bons." She parted one side of her blouse to reveal her soft, hanging breast with its large, brown nipple.

Bianca added, "And coconut macaroons, too, packaged in pairs." She pulled her blouse aside, allowing both of her breasts to spill free.

Fox looked from one to the other. "Do you mind if I taste a sample?"

"Delighted, sir," said Sable as she exposed the other breast. The girls each turned toward Fox, got on their knees, lifted their breasts and pressed them against the man's head. They rubbed their nipples up and down his face as he turned his head from one side to the other. His mouth eventually found and fastened upon one of Bianca's nipples.

As if on cue, while Bianca cuddled Fox to her breasts Sable got to her knees between his legs. She pulled off his sandals, his shorts and his briefs, and then she reached into her bag. She opened a box of sandwich cremes and split one apart. She placed one wafer below his penis and one above. "Now this is a sandwich cookie," she said.

Bianca looked down as Fox's mouth released her breast, and Sable's mouth closed over the cookie. Her teeth crunched through half of it and slid it off into her mouth. She swallowed and then slid her lips over his phallus to take in the other half. "I like the way you swallow," said Fox, to which Sable replied, "Sir, I just love to swallow."

She took Fox into her mouth and worked his erection. Brown lips and pink skin made a lovely contrast,

.JEZHABELLE

Our editor's *Voluptuous* dream-girl.

Check this out. Old B.A., our long-time staffer and editor, was surfing at Pompano Beach during one of those South Florida hurricane swells this past fall. The waves were big, the babes were out in droves, and B.A. was actually doing pretty well schmoozing the beach bunnies. In the late afternoon, he went to Sweet Tomatoes for some post-surf sustenance, and who comes running up to him? Jezhabelle. B.A. spent two hours drooling in his soup and salad while Jez's tits and rock-hard nips stared right back at him. They talked, went and saw some Orlando Bloom chick-flick, then went to Golden Corral for a late-night feast. B.A.'s ass didn't get home until four in the morning, and his wife was pissed. But, B.A. just smiled and went to sleep. He had lived the *Voluptuous* dream, and life just doesn't get any better than that.

Jezhabelle has been a dream-girl for for going on three years now, and if you just looked at her body, it would be a no-brainer to see why. From head to toe, she is the complete package. But, it's her personality that sends Jezhabelle over the top. Uninhibited and fun-loving in a down-to-earth style, you don't have to take this gal to a high-falutin' French restaurant or a Broadway play to make her happy. Give her some KFC and a night of bowling, and she's a happy camper. Plus, Jezhabelle is horny like most can't imagine. So, if you do get lucky, and Jezhabelle is quite proud of the fact that she's an "easy lay," brother, you talk about a dream-cum-true.

Gezhabelle

MARCH 2006

Still only 23 years young, Jezhabelle is just now coming into her prime as a *Voluptuous* model. The only thing that may stop her from becoming a big-boob fixture for many years to come is the fact that she's a pretty smart cookie. She's now in her third year of college. One more to go, then her MBA, and who knows, we might be working for Jezhabelle one day. Our editor certainly wouldn't be complaining.

PASSIONATE IVY

Simply put, this gal has awesome tits!

The rest of her bod is pretty smokin', too. Still, every time we see Ivy in *Voluptuous*, we can't get over how big and round and full her boobs are! They're udderly fuckable. So, boys, start your strokin'! Here come some of the best tits around.

Ya gotta love any woman with a front- and back-side like this who describes herself as a "natural-born cocksucker." We all got a good look at Ivy's XXX talent in the Aug. '05 *Voluptuous Xtra*, giving everybody a *hard attack* in a busty nurse-fantasy cum to life. And, if you've seen her fucking on *Voluptuous Xtra* #9 (DVD only), you know that when Ivy says, "You give me a big dick way up there, and I'll get off!" the girl speaks the truth. She came almost as much as we did, and trust us, that's pretty damned hard to do.

Can this busty babe assume some poses, or what? Every time we see her pictures, it's *schwing*-time, and it makes us wonder why V-men haven't vaulted Ivy into the upper echelon of busty babes. "It's because I'm not pretty enough," Ivy told us, in no way self-deprecating, but also not saddened, either. "I'm just a normal looking girl—a New Yorker with real big tits, but nothing special in the looks department. The other girls, they've got big tits, too, but they're also beautiful. I mean, they're just gorgeous. If I was in the Model of the Year contest, I'm telling you, I'd vote for one of them over me any day of the week and twice on Sunday." How can you not like this gal? Ivy, you're perfect from head to toe—don't ever change.

VOLUPTUOUS FLASHBACK

A look back at one of the greatest girls-next-door we've ever had...Rhonda Baxter.

More than a stroll down Mammary Lane, this is a *Voluptuous* Reader Request. You see, Joe from New York, a reader since the first *Voluptuous* ever (Spring '94), calls your trusty, crusty editor once a week, and the first thing he says is, "Anything new on Rhonda Baxter?" We always have to tell Joe, "Nope, Rhonda's retired." You can practically hear him cry. Looking at these pictures, it's easy to see why. Rhonda Baxter was a fixture of Big-Tit-Dom in the '90s, when silicone tits dominated, and the all-natural titters who had the boob power to compete with the super-sized strippers were rare. Rhonda was one of the few, first appearing in the Oct. '03 *SCORE*, then landing the cover of the May '05 *Voluptuous*. She would go on to star in big-boob magazines for the remainder of the decade. No hardcore. No chick-sticks. No fingers in her ass. Just classic posing from a timeless model—Rhonda Baxter.

Often described as the “ultimate girl-next-door,” that description wasn’t just another cliché, because that’s exactly what Rhonda Baxter was and still is. She was discovered walking down the street in her hometown of Anaheim, California by big-boob lensman Lance Kincaid. Rhonda had a regular job and no dreams of fame, but she also had a rack-and-a-half, plus that cute face and charming personality that were too alluring to resist. Lance convinced her to pose, and in a couple of years, the girl-next-door had kicked the crap out of the big-tit world, making the semi-finals of The Big Breast Challenge (how many of you guys remember that?) over some serious competition that included Dannii Ashe, Lisa Phillips and Chloe Vevrier. Talk about a self-esteem booster. Rhonda told us that posing made her feel good about herself, as did the letters we published touting her as the greatest thing to hit Big-Tit-Dom since the nipple, so she posed whenever she could, even when we broke out a vacuum. Yeah, we felt a bit bad about it later, especially when Rhonda told us it hurt like hell. But, being the trooper that she was, Rhonda just grinned and bared all. Still, this lady didn’t ask to be a star, nor did she want to be one. So, with the same fanfare that she entered Big-Tit-Dom in 1993, Rhonda Baxter departed it in 2001. Quietly. Politely. Gratefully. Without any hoopla whatsoever. A girl-next-door to many, but a legend for all-time.

Bianca noted, before she, too, got busy wetting Fox's face with her lips and tongue. When she probed his ear and blew softly, he jumped so quickly that his penis leaped from Sable's mouth. Bianca took that as her cue to join her friend in fellatio.

Sable scooted to the outside of one of Fox's legs, and Bianca knelt beside the other. Kneeling parallel to the sofa, they fondled his phallus and took turns licking and sucking on it as he looked down at his twin vixens with their talented tongues and ravenous mouths.

Sable pulled back first and took off her blouse, releasing her huge, brown breasts. "Bianca, why don't you get between his legs and give that cream-filled peppermint stick a licking?"

Bianca was all too happy to comply. Meanwhile, Sable shucked her shoes, stood on the cushions, straddled Fox's head and raised her skirt to reveal she wore nothing beneath. He gripped her ass cheeks and pulled her crotch to his face, then held it against his face with one hand while the other reached up to her tits. His tongue teased Sable's clit as his fingers teased her nipples, and his penis throbbed inside Bianca's mouth.

When Sable half-stepped back to turn around, Bianca stood, tossed off her blouse and dropped her skirt. Like Sable, she wore nothing beneath it—just a closely-cropped, triangular patch of downy hair. She pulled Fox's hips to the edge of the sofa, straddled him and sat atop his erection. Sable stepped out of her skirt and pressed her ass into Fox's face. She leaned forward, resting her hands on Bianca's shoulders as her friend ground her hips forward and back, side to side. Sable's pussy was now exposed to Fox, and he plowed his tongue inside it as his hands cupped her hanging breasts.

"Don't forget me," Bianca squealed, taking one of Fox's hands and placing it upon one of her own breasts.

He mumbled, "I could never forget you," but his voice was muffled by Sable's slit, and they all laughed.

Bianca dismounted him, and Sable mounted, with her back toward Fox. She pivoted her hips forward and back as she leaned into his chest and his hands cupped her breasts. She leaned

"Michelle is beautiful, with a perfect body, and she seems so nice. She's the type of girl you could bring home to mom," P.H. wrote us. "Then take up into the barn later!" Well, V-men, it's time to kick big mamma out of the manor and give those farm animals the night off, 'cause Michelle Bond is in the *Voluptuous* house...to stay!

her head back and they kissed, tongues alive. Bianca, meanwhile, had pulled something out of her own goodie bag: a pump bottle.

"Body lotion," she said, smiling at Fox as she squirted some onto her cleavage. When he smiled back, she said, "Be prepared, that's our motto."

Sable stood and took the lotion from Bianca as her partner dropped to her knees and captured Fox's erection between her breasts. Bianca cupped her hooters and moved them up and down his shaft. Fox's boner drove between them like a well-oiled piston. He knew he would climax if he didn't stop soon, so he stood up, took a few steps away from the sofa and lay flat on the plush carpeting. He was trying to think of something else to make the session last.

"Not so fast there," said Sable, as she placed a cushion from the sofa beneath Fox's head. "You haven't let me get my cookies yet." And she squatted over his face, rubbing it with her juicy crotch. As long as his erection wasn't touched, Fox knew he could do this, and he pulled Sable's sex to his face, rubbing his nose against her clitoris until she cried out and spasmed.

Suddenly he became aware that Bianca had mounted him again, and as Sable moved aside to splash skin lotion on her breasts, Bianca leaned forward, her own mammaries glistening and slick against his splayed fingers. Now Sable's breasts were coated too, and as Bianca disengaged in order to press her nipples into Fox's mouth, Sable swung her own slickened breasts across the underside of his erection.

Fox mumbled something into Bianca's breast; the vibration made her giggle, and she pulled back. "I can't hold back much more, is what I said."

The girls had planned this part too. Both knelt on the carpet on either side of Fox's hips and leaned forward, taking turns as they had before in fellating him. Their breasts hung down, and he cradled one beige nipple and one brown one in his hands. Suddenly his body arched as he ejaculated toward the ceiling. The semen splashed against the girls' faces, some of it finding its way into their mouths. Bianca pumped his penis, squeezing hard, and when he

CHERRY B.

A first for this newcomer...and all of us!

Ya gotta love naughty neighbors, especially when they have racks like Cherry B. and get off in their backyards for all of us... and her neighbors to enjoy. What's the "B" stand for? Cherry wouldn't say, but we're guessing it's a gangsta rap, LL-Cool-B kinda thing, though one thing's for sure—it isn't Cherry's bra size. This gal ain't a B-cup, though she is packin'...B-ig-time!

You know a ripe piece of ass when you see one and Cherry B. fills the bill and over-fills her G-cup bra. "When I go out clubbing, I make it a habit to show off my tits because I'm proud of them," Cherry said. "First I moisturize them with lotion so they're all smooth and shiny. Then I put on a demi-cup bra that pushes them up so high, my cleavage is just about up to my chin. I wear the lowest-cut, tightest blouses and tops I can buy. I love being a prick-tease and being stared at by lads. I like to make guys randy!" And that's why she's in *Voluptuous*, boys!

Well, you don't see this every day. "Then you should move into the house next to mine!" the exuberant Cherry told us, quite proud when we told her she was the first-ever *Voluptuous* model to do the lawn sprinkler-thing. "Hell, I do this all the time! I know my neighbors watch, too, and that's what makes it so bloody exciting. I can see them peeking from their windows, and when I shag (fuck), we leave all the windows open so everybody can watch." If you couldn't tell already, Cherry's an exhibitionist, and all we've gotta say is, "Thank Gawd!" May we have a million more just like her!

had finished both girls lowered their faces into his groin, licking his cum and then their lips. They gently licked his penis clean, and then lay down on their sides, their heads resting on his thighs, his hands resting on their breasts.

Next Wednesday it would be Sable's turn to dine with Mr. Fox, and next Saturday they would both get the chance to please him—and be pleased in return. Bianca knew that he gave as good as he got, and she also knew that, though this might not be love, it surely went beyond mere lust. It was enough for now, and she was happy.

Sunday night the ladies were back in Bianca's apartment to plan next weekend's foray into creative lovemaking. They were about to pour themselves a nightcap when a loud knock intruded. Frowning, Bianca opened the door and took a giant step back as a disheveled, drunk and obviously distraught man rushed in.

"I've been calling you all weekend, Bee. I want you back. I'll get you that job with the firm, and we'll—" Suddenly he noticed Sable, who had stood up.

In slow, measured tones, she said, "What in the hell are you doing here?"

To which he shakily slurred, "What the hell are you doing here?"

Sable ignored him. "Bianca, is this the Kyle you were talking about? He's the so-called publisher's son? Hell, girl, he's just a clerk at Fox Industries!" He stared, slack-jawed, eyes darting from Sable to Bianca and back again. "The closest he comes to publishing is collating in the copy room."

Sable's eyes cast daggers at him. "You've treated this girl poorly, Kyle, and as Mr. Fox's executive assistant I know that he values integrity above everything else. If you dare to go to work tomorrow, I'll report you to Mr. Fox, and you'll be out on your ass. But, if you resign—for, say, personal reasons—maybe I won't tell him anything at all. Your call, Kyle." His name dripped off her lips like venom.

He shuffled out the door, without a word, tail between his legs. Sable turned to Bianca and lifted her empty glass. "Payback, is a couple of bitches!"

The two foxes laughed as they toasted their success and happiness.

Okay, so Via Sadora is from Minnesota. But, she does work as a French Interpreter, so *sacre boobs*...were goin' with the French Fries, French Bread and a French Interpreter's first-time theme for Via's *Voluptuous* debut. Hey, it's as good as any, because, to be honest, this totally hot and incredibly petite five-footer is so damned cute and cuddly, we could just babble on like we have for the past five lines, and it wouldn't matter one bit. You'll dig Via regardless of what we say.

Only 20 years old, Via may look like a doll, but take a close look at her... eyes. Yes, this gal has a wild side. Talking to her, that becomes obvious real fast. "I'm into bondage, two guys at once, ass-fucking, one-night-stands, masturbation and cool pick-up lines like, 'I could rock your world, girl.' I like guys to be honest, but you better be able to back it up. I may be petite, but I pack quite a punch!" Via also likes to talk and talk and talk. But, she has big tits, so we'll let her slide on that one.

SAMANTHA SANDERS

Samantha and her man are walking by what looks like a lake, but there is no one around. It's a secluded and romantic spot. Samantha is carrying a picnic basket, and it appears the two lovers are going to enjoy some quality time.

As they head for their destination, Samantha mentions that her man is "going to like what's in here." We assume she meant the picnic basket, but when she said it we were thinking about her bra.

Her man is obviously a concerned guy. On such a hot day, Samantha has dressed for the winter with too many layers. When he suggests she remove one or two to get comfortable, she peels everything off. Then Samantha reaches in the picnic basket and brings out a cake decorating tube that is filled with what appears to be icing. They start decorating Samantha's globes and her man is so witty that he spells out the word "TITS" on Samantha's left breast.

The clean-up with some ice cubes turns into full-on foreplay. The cube gets used to stiffen both of Samantha's nipples while her man fondles and kneads her pillowy bosom. He then slides his own tube in between them and gives Samantha a proper tit-fucking. Samantha goes right from that into a tonsil-tickling blow job.

The couple goes back to the blanket, where Samantha lays on her back, and her man really goes to work on her tits, giving them a nut-tightening plowing. He then moves down, puts one of Samantha's legs over his shoulder and crams his tube steak in balls-deep. After switching to some doggie-style, the couple moves down to the waterside and continues there with Samantha bent over a rock.

They go back to the blanket, where Samantha mounts her stallion for some serious reverse-cowgirl riding. It's a very visually appealing part of the scene because everything jiggles when Samantha rides. Her belly, thighs and arms all move in time with her up-and-down motion. Her massive, 32GG tits are bouncing wildly. It's almost surprising they don't injure somebody.

When her man is about to cum, Samantha provides an inviting target with her tits lifted and her mouth open, but our man just misses and splashes his goo on her nipples.

DONNA

Now, this is one Super-Horny Plumper!

If you've seen Donna's newest video, the appropriately titled *Horny Plumpers*, you know, if we're lyin', we're dyin'...Still here! And so is Donna, all 180-plus, big-assed, huge-titted pounds of her. Yeah, Donna's what some guys call a "Super-Plumper," though if you take a good look into her wild eyes or, as we editors are prone to do, simply ask this beauty, she'll tell you flat out..."Super Plumper? Nah, I'm a Super-Horny Plumper! Here, I'll prove it to you!" So start flipping the pages, boys and girls, because the show is about to begin!

BARE FACTS **DONNA**

Previous *Voluptuous* appearances:
Aug. '03, Feb. '02, June '01

For those of you who are new to *Voluptuous* or don't remember the Aug. '03 issue, Donna is the Texas-gal who used to read *Voluptuous* with her big-tit loving man and then send letters to the V-Mail—real nasty stuff, too, like: “He moved the cum around with his dick across my tits and then put it in my mouth so I could suck all the cum off.” We used to love printing them in the letters section, but when she said she would send in some pictures, we got a bit hesitant. More often than not, reality has a way of kicking fantasy right in the ass, so when Donna's first home snapshots arrived, we opened her letter like there was an Anthrax-scare going around. When we saw her pictures, guys were slapping high-fives saying, “I knew she'd be hot!” Now, a couple of years after her last *Voluptuous* pictorial, Donna is even hotter than we remembered. She's packed on a few more curves, her tits are, eghads, even bigger than before, and we still remember what she said when we asked if she wanted to come to Miami to pose... “Does a cow have tits? Sure, I'll pose.” We ask you, what's not to love?

You know the best part of Donna appearing in *Voluptuous* again? Every month when the new *Voluptuous* arrives at the Donna-household, she and her hubby get on their king-sized bed, open up the magazine and within seconds she's all gooey and dewy and he's as hard as a lead pipe. When Donna starts assuming poses, her man goes berzerk, and they both fuck like sex-crazed rabbits. And that's looking at pictures of other models. Whaddya think is gonna happen this month? We only hope Donna writes us and gives us all of the dirty details.

CASSITTY

Work it! Pump it! Stroke it!

If you had Cassitty hanging around in your workout room, that's what she would tell you. Not only does she have some of the biggest, most pendulous boobs ever to appear in *Voluptuous*, Cassitty is one horny chick. Oh, sure she loves to get it on in a cocksucking contest like she did with Africa in *Black & Stacked Xtra #3* and get her pussy pounded by a big, hard cock. But, for Cassitty, her ultimate fantasy is seeing a bunch of skinny, white guys jacking off in a locker room. Ready for a circle-jerk, boys? Cassitty sure is!

BARE FACTS

CASSITTY

Age: 27 **Birthday:** September 2, 1978

Height: 5'5" **Weight:** 130 lbs.

Measurements: 46-24-36 **Bra Size:** 40EE

Previous *Voluptuous* appearances: Oct. '05, Jan. '05, Sept. '04, May '04, Holiday '03, Nov. '03, April '03

Video: *Black & Stacked Xtra #3* (XXX-Rated, available in the Video Club on page 130)

That whole circle-jerk thing is something straight from Cassitty's past. You see, when she was in high school, Cassitty told us that all of her friends talked about that urban legend. So, she decided to find out for herself if it was real. Cassitty, already a track athlete, would hang around the boys' locker room, poking her head in a few times every day to check things out. A month went by, and all she saw were some swinging dicks, which she greatly enjoyed, but no ring of cum. Another month, same thing. Then, one day she heard a big commotion. She snuck in and, shazam, the fists were pumping. "It was the sexiest thing I have ever seen!" Cassitty told us. "I got so horny, I crept into a corner and started getting myself off. Nobody saw me, but when the boys started cumming, I got off so hard. That was the only time I have ever seen that. I still fantasize about it." Boy, if Cassitty could only see us beating off like crazed sex-fiends every time she poses, you wanna talk about making a girl's dreams cum true!

SUNSHINE

First, let me say, I don't know Sunshine. I've never had the pleasure of meeting her. But after 10 seconds of her scene, I knew she was my kind of woman. Sunshine is all about the sex. She looks like sex, sounds like sex and wants a whole lotta sex. All that combined with an enormous set of floppy hangers, some dick-sucking lips and a Key Lime pie. You just can't beat that.

Key Lime pie? If you've never had it, get some. It's a little slice of heaven, or in this case a ray of sunshine.

Sunshine is carrying a key lime pie with her as she gets in a car and greets her man. Looks like dessert for him is going to be Key Lime titties. And let's face it, a day without Key Lime pie is like a day without, umm, Sunshine.

The two head back home, and Sunshine gets a taste of pie after dipping her man's hard cock in the filling. Never have his inches tasted so sweet. Soon his balls are tasting sweet after Sunshine drops both of her jugs in the pie and uses them to spread the filling all over her man's nut-sac and shaft. She then lovingly tongues his balls and wraps her tongue around the shaft before putting his dick in a tittie-lock.

Sunshine then does one of our favorite moves. Instead of blowing her man, she lets him fuck her mouth. With her and her man likely sick of pie by now, Sunshine straddles her man and lowers herself on his hard rod. Her tits are so big that they slap against her chest, and she rides him hard.

They switch positions again so that they're spooning on the couch before Sunshine flips around and jacks her man until he blasts gobs and gobs and gobs of spunk on her rack.

But wait, there's more.

This DVD also comes with a bunch of extra, bonus features. You get to go backstage with the girls and watch them prepare for their scenes and go through some hot photo shoots. There are also several deleted scenes from Samantha Sanders and Sunshine. Obviously, the girls were so horny that they kept going and going and going.

Just as it implies, the backstage portion of the DVD takes you behind the scenes. You get to see the scenes as they happen and as they are prepared. It's almost like you're standing in the room, watching as the magic happens.

You'll love the three-sizes-too-small,

blue string-bikini that Samantha models before getting all oiled up for a more revealing part of the shoot. Yes, this is the same pictorial that's in this month's *Voluptuous* (page 47).

You'll wonder just how Monique L'Amour squeezed her luscious ass into a super-tight pair of low-rise jeans before she peels out of them during a shoot on the back of her pickup truck before she gets down and dirty on a sleeping bag.

You'll enjoy the close-up shot of Anastasia shaving her pussy and then later when she gives herself squealing, shrieking, double-penetration pleasure with a dildo and a vibrator.

Speaking of hairy bush, you'll also get to see Sunshine as she gets prepared for her shoot. The makeup, the lingerie, the dress and even her nails, which are so sexy, and she definitely knows it.

There is also an interview segment here, where you get to know some of the girls up-close and personal.

Miranda is interviewed in a van, not long after what we find out is her first XXX shoot. She talks about growing up in Italy and how much she likes big dicks. It turns out that tit-fucking is her favorite thing to do in sex. She also says she loves to suck cock and can do it for hours and hours.

Monique L'Amour tells us about how she wound up in Miami at the SCORE Group. Monique tells us how she was in the Air Force. She went through boot camp, which was difficult with her big tits—for Monique it was boob camp—and how difficult it was to find a uniform that fit. But Monique was able to serve her country and get a lot of sex with our brave fighting men. She also tells us that she loves her "juicy" ass and that her fantasy is a threesome. She may have a French name, but this is an All-American girl.

Samantha Sanders tells us about how she was searched at the airport on her way to Miami because the airport screener thought she was hiding something in her bra. She was—her tits. Like Monique, she says doggie-style is her favorite position. She enjoys horseback riding and skydiving. She's also been a "Page-3" girl in England. Samantha also tells us she was fully developed—32GG—at age 16. Unfortunately, she didn't go to our high school.

Want more details? Get the DVD, boob-men! It's the same price as the VHS, but you get a load more goodies to cream over, which is what porn is all about. And, trust Curly, *Cream My Tits* delivers all the good-stuff, big-time! ①

CRISA

One saucy, horny, big-titted wench!

Normally we like to flower the V-gals up, but not Crisa. She's just a horny, saucy, big-titted wench and proud of it. Plus, she's a math teacher, which means Crisa is probably a lot smarter than all of us. The way Crisa told us, she can blow you and help with the poker odds while you play Texas Hold 'Em online. Then, she can help you forget that you lost all your money by letting you cum all over her tits. Not a bad scenario, eh? Except, there's only one problem. Crisa will be doing the playing, and she'll probably win. The gal loves her online poker. American football, burgers and beer, too. Yeah, we didn't think women got this perfect, either, until we met...Crisa.

We last saw Crisa going down on fellow Romanian Florri in the dildo-filled August '05 *Voluptuous* chick-fest. This pictorial marks her fourth *Voluptuous* appearance in 16 months. At that rate, Crisa will be reaching legend status in about three years, that is, if she keeps posing. "Are you kidding?" Crisa told us, rhetorically. "The three things I live for are porking, poker and posing." The gal is packing F-cups, so as far as we're concerned, she could spend all of her time knitting, and we wouldn't give a shit. "Posing always gets me in the mood for some porking," Crisa confessed. "But the best thing I can do when I'm in the studio is to go to the bathroom and finger myself. I cum in no time, and that keeps me happy until I can fill my pussy with a nice, hard cock."

WOW NIKKI

Her prefix doesn't do Nikki justice!

You know how some gals tout themselves as the "greatest fuck known to any-kind?" Not Wow Nikki. She prefers to let her actions speak louder than her one-word nickname. Based on what you're about to see and what we've already seen on her XXX-Rated, hardcore bang-a-thon, *XL Xtra* #5, this gal needs a new nickname with a lot more syllables, perhaps something like... "greatest fuck known to any-kind." Hell, even that might not be enough.

Wow Nikki has a power-packed body that includes one of the roundest (yet tightest) asses we've ever had the pleasure of seeing get plowed doggie-style and some damned full DD-cups. But, in the wonderful world of porn, attitude is everything, and that's where Wow Nikki makes you stop and go, well, "Wow!" She's a nasty lady, and we say that with the utmost sincerity and flattery. Whether she's engulfing cock or taking it deep in her cunt, few busty babes do the dirty deeds with more passion and enthusiasm than Wow Nikki. Trust us, we've pounded our puds until they were practically falling off watching *XL Xtra #5* and *Voluptuous Xtra #11*. Now, seeing Nikki in *Voluptuous Xtra*, we're gonna do it all over again!

Will ya look at this broad-beamed babe! Yeah, we know *Voluptuous* is all about the boobs, but every now and then a guy has to mix it up. You know, have a Bud Light instead of a regular Bud. That's why, whenever we see an ass-shot like this one, we just can't help ourselves. Again, we are biased based on the fact we've seen video of Nikki in exactly this pose, just fucking wailing away while she rams her big, bodacious booty backwards to take every inch of man-meat this guy can muster and cum as much as she possibly can. Boy, that's one helluva a run-on sentence. What can we say? Nikki doesn't just make us go, "wow!" She turns us into babbling morons. You know what? We could care less!

SAPPHIRE

Plumper, bustier and way hornier!

Some of you may have seen Sapphire in her X-Rated flicks, *Horny Plumpers*, *Stacked& Packed #5*, or *Voluptuous Naturals*—turn to page 13 for purchasing details. For those of you who haven't met Sapphire yet, we have a great layout of this plumper turned super-plumper in all kinds of compromising positions. And Sapphire has changed since she did the flicks. In case you were wondering, Sapphire's tits are now in the I-cup range. They were a G-cup a year ago, but 35-plus more pounds do remarkable things to a woman's boobage. Now, you're gonna have to really be packing to slide between Sapphire's tits. "Honestly, I haven't found a guy yet who doesn't get totally smothered by my cleavage," Sapphire told us. "Now, my boobs are so big, I just kill guys when they want to tit-fuck me." Yeah, but what a way to go!

Right about now, a lot of you *Voluptuous*-veterans are probably thinking, "Hmm, normally, the *Xtra* section is over by now." Bonus pages, baby! Not only are we giving you 32 more pages in the main mag, but this month you get 16 more fucking-pages in *Voluptuous Xtra*, too! So, join in on the fun, splatter Sapphire's tits with your guy-gravy, then go rest up a bit. There's plenty more of the "horniest show on earth" to cum!

"THE BEST SEX OF MY LIFE!"

Need we say more?

Okay, just a bit more. This is Eva. She was in the Oct. '05 Voluptuous, is 40-something in body but 20-something in spirit, has never been married and is about as wild and as chicks get. Eva has done just about everything you can do with a dick, a pussy and even a champagne bottle, except for one...she has never done it on camera. Well, now Eva's life is complete, and her pussy never got it so good!

BARE FACTS
EVA

Previous *Voluptuous* appearance: Oct. '05
Favorite sexual position: "Anything where I'm on top and can fuck the guy harder than he fucks me. I like to be in total control!"

For Eva's *Voluptuous Xtra* debut, we paired her up with an old pro, Marino, the English porn stud from the '90s who was getting all the busty babes. Only, he had never had one like Eva. "The bitch bloody wore me out!" Marino told us after all was said and cum. "She wanted more and more and more. We ended up going back to the hotel room and shagged until dawn. Honestly, this was the best sex I ever had." That's saying something, especially when that is exactly what Eva said, though a bit more colorfully. "I came so much, I oughta have my cookie in the *Guinness Book of World Records*." Experience, there is no substitute.

ZUZANNA

**No foo-foo lovemaking here.
This is what hardcore is all about!**

What's the skinny on this sexy V-girl? Simply put, Zuzanna craves cock, the bigger the better, and she isn't picky about which hole gets rammed, so long as *all* of them get pounded! "We gettin' some anal?" you ask. Oh yeah, this gal loves to get fucked...*butt* good!

The star of the notoriously raunchy (and banned in several countries) *Zuzanna's Anal Rampage*, the way this Czech-mate gets off with eight (and often more) inches in her ass makes you wonder why every chick doesn't beg to get her fudge packed. And, with her new video, *Zuzanna's Hardcore Hooters*, it's more of the same. In fact, the title really doesn't do the video justice, especially if you're an ass-fucking fiend. It should be called, well, *Zuzanna's Anal Rampage Part II*, because we never thought we would ever see a better ass-fucking video than that first one, until we saw *Hooters*. Oh well, the name doesn't matter, because the babe remains the same. And, when the babe is Zuzanna taking big, fat man-pole, balls-deep, until her asshole gets totally obliterated (like she's about to do in, oh, one more page!), well, boys, it just doesn't get any better than that!
